### **TREE REMOVAL (EMERALD ASH BORER) JULY 22 AND 23, 2017**

The City of Joliet's Roadways Division will be in the following subdivisions Saturday and Sunday, July 22 and 23, 2017, between the hours of 6:30 AM and 3:30 PM performing tree removals:

- Kendall Ridge
- Silver Leaf
- Clublands
- Wexford East

Please refrain from parking on these streets on these days during these hours, and remember to proceed with caution while workers are present. There will be occasions where roadways will be closed to through traffic due to tree removal operations. Residents should expect traffic delays in these subdivisions as they remove ash trees.

Ash trees will also be removed on Plainfield Road from Jefferson Street to Raynor Avenue; Chicago and Ottawa Streets from McDonough Street to Washington Street; and an area bounded by Ruby Street to Ingalls Avenue from Raynor Boulevard to the DesPlaines River.

Thank you for your patience. This will be **tree removals only**. The Roadways Division crews will return at a later date to perform stump grinding.
