

**HOW TO PETITION THE CITY
FOR
PLANNED UNIT DEVELOPMENT**

The Joliet Zoning Ordinance provides for a special type of zoning approval which may be granted in any of the zoning districts and which is called Planned Unit Development (PUD). Under the provisions of the PUD section (Sec. 47-15A.8 of the Zoning Ordinance) the City may grant approval for specific development plans which include variation from the strict requirements of the district zoning regulations. A planned unit development must meet certain criteria for superior design and site planning, and the application process is as follows:

1. Applicant meets with the Community Development Department or Planning Division to discuss the proposed development and PUD requirements.
2. The PUD process involves two steps: preliminary and final submissions. Applicant prepares and files a preliminary planned unit development application with the following supporting materials at least 27 days before the Plan Commission meeting:
 - a. 15 copies of a preliminary site plan showing existing conditions, as well as proposed (similar to a preliminary plat), with topography, proposed grading, location of buildings, utilities, drainage, and right-of-ways.
 - b. 3 copies of preliminary engineering plans for extension of utilities, public improvements, and drainage.
 - c. Elevations and floor plans of proposed buildings.
 - d. Landscaping plans.
 - e. Written material to include: phasing of PUD, scope of development, financial plan, marketing plan, and ownership of open space. Fifteen copies will be required of any material larger than 8 1/2" x 14".
3. Staff reviews preliminary submission at Community Design Review Board meeting. Applicant is urged to attend this meeting.
4. Staff prepares report to Plan Commission.
